TEAMWORK

SHARKS MISSION

The mission of the Nebraska Youth Athletic Association is to provide the opportunity for youth to learn and refine their athletic skills in a competitive environment while promoting the ideals of teamwork, sportsmanship, leadership, self-esteem and citizenship, thus preparing them for a successful future.

SHARKS PHILOSOPHY

We believe football allows children of various sizes, athletic ability, and backgrounds to work together for a common goal. Football, unlike any other youth sport, builds character, discipline, work ethic and a sense of team unity.

Our goal is to instill these fundamental personal characteristics into our players while also teaching correct fundamentals of football during practices and in games. Every child has potential and we believe that part of our job is to realize that potential and to teach your child how to utilize it for the benefit of the team and themselves.

**DEDICATED TO MAKING A
DIFFERENCE IN TODAY'S
YOUTH!**
