TEAMWORK

SHARKS MISSION

The mission of the Nebraska Youth
Athletic Association is to provide the
opportunity for youth to learn and refine
their athletic skills in a competitive
environment while promoting the ideals
of teamwork, sportsmanship, leadership,
self-esteem and citizenship, thus
preparing them for a successful future.

SHARKS PHILOSOPHY

We believe football allows children of
various sizes, athletic ability, and
backgrounds to work together for a
common goal. Football, unlike any
other youth sport, builds character,
discipline, work ethic and a sense of
team unity.

Our goal is to instill these fundamental
personal characteristics into our players
while also teaching correct
fundamentals of football during
practices and in games. Every child has
potential and we believe that part of our
job is to realize that potential and to
teach your child how to utilize it for the
benefit of the team and themselves.
