Dear Future Sponsor:

Join the Feeding Frenzy! The Nebraska Youth Athletic Association (NYAA), a non-profit organization, run by active members of the community and supportive parent volunteers, welcomes you to the Sharks organization. Sharks participate in full regulation tackle football and flag football. We have also competed in basketball and baseball for many years. NYAA believes in providing today's youth an opportunity to learn and refine their athletic skills in a competitive environment while promoting the ideals of teamwork, sportsmanship, leadership, self-esteem and citizenship thus better preparing them for a successful future.

NYAA offers area youth an opportunity that would otherwise not be available to them. We strive to provide youth ages 7-14 an opportunity to learn the fundamentals of different athletic programs at an appropriate skill level.

NYAA is committed to doing the most good with your donations through the services we provide. Your donations have given us the capacity to deliver services to area families. As a non-profit organization we serve the public and fill critical gaps not fully addressed by the business and government sector. However, we face increasing demands for the services we provide. That's why we ask for the community's continued support.

Your donation will provide stable funds to support the work of NYAA, thereby helping us better serve the community well into the future. NYAA is able to provide youth with life-enriching activities and programs by fostering athletic, educational and character development that may not exist for them otherwise. Every dollar donated is used to support vital programs. Through our annual donation campaign your contribution helps us provide program support and financial assistance to families who need it most.

Please review our enclosed sponsorship levels, complete the sponsorship form and donate at your desired level.
