### **Parent Policy**

We encourage and appreciate all parents that say to watch their child's practice. As a reminder **only** coaches and players are allowed on the practice field as well as the game field. Parents should not come any closer than the tree line during practices. For clarification, please see any NYAA representative. If you have any other questions or concerns please don't hesitate to direct them to the NYAA Athletic Director, Mark Slama, or Assistant Athletic Director, Bobby Slade.

### **CANCELATION NUMBER**

*Practice/Game changes or cancellations:* call **438-4686** and listen to the voicemail message! Changes will be posted 1 hour ahead of all practice and game times.

### **Equipment**

NYAA will provide each player with a Game T-Shirt. Players will be responsible for their own mouthpieces and cleats. We do have donated cleats, please check with Stacia at the registration table. We advise that all mouthpieces must be colored (not clear), and no metal cleats will be allowed. It is your responsibility to make sure you have mouthpieces at practice and at game times. You will not be allowed to practice or participate in games without a mouthpiece.

We are still accepting registrations for all ages for the Spring Contact Flag Football Season.

### **Woods Park**

Please help to keep our park and practice field beautiful. As you leave make sure you pick up any trash that has been left behind.
