27th Annual MIT Basketball Tournament

The Lincoln YMCA Youth Sports Branch will be hosting the 27th Annual MIT Basketball Tournament on *March 8th and 9th, 2008*. The tournament will feature over 400 teams from Nebraska and surrounding states. All SHARK teams will be participating this year, watch for more information coming soon!

Listen, and let your children know you are listening by eye contact, head nods and listening noises ("Hmmm", "Uh-huh"). Ask them questions that require more than one work answers, such as, "What was your favorite part of the game?"

Tip from Positive Coaching Alliance for Responsible Sport Parents

PRACTICE MAKES PERFECT

While we make the most of our practice sessions, practicing one time a week is not enough to fully develop your basketball skills. The serious athlete will set aside time to practice on their own to perfect their game.

Pick up a ball while you are on school break and practice your dribbling and shooting skills. You can work on the same dribbling drills we do at practice in your own driveway. We also recommend jumping rope; this is something that you can do on your own that will benefit your performance.

Coaches will call teams if there will be a cancellation for a practice. To find out if a game is cancelled, call the YMCA Cancellation Line at 434-9211.
